

PRIMARY OBJECTS

- (a) To provide financial and other assistance in the construction, repair, rehabilitation, staffing and equipping of deserving or disadvantaged schools and other educational bodies and training centres, and to provide financial and other support to deserving, disadvantaged or needy persons for scholarships, educational and vocational training purposes, among children and adults (whether formal or non-formal), towards improving their prospects for securing gainful employment, and to promote and establish educational facilities for, and otherwise promote education among, deserving or needy persons or communities;
- (b) To provide financial and other assistance in the construction, repair, rehabilitation, staffing and equipping of deserving or disadvantaged hospitals, and to promote and establish medical centres and other medical facilities (whether fixed or mobile) for the provision of medical relief to deserving, disadvantaged or needy persons, and to provide financial and other support to such persons towards improving their health and well-being;
- (c) To provide financial and other assistance in the provision of housing including construction, repair, rehabilitation, furnishing and other support for deserving, disadvantaged or needy persons or communities;
- (d) To help meet the physical, mental and social needs of deserving or disadvantaged persons, irrespective of race, caste or creed, and to undertake projects of social and community concern for the relief of poverty and economic and mental distress, both in respect of individuals and communities;
- (e) To promote science, sports and cultural activities in the spheres of art, music, drama, literature and the like for the development of the creative potential of persons;
- (f) To promote commercial enterprise or any profession and anything incidental or conducive to these objectives for the benefit of deserving, disadvantaged or needy persons or communities towards improving their economic and social well-being;
- (g) To promote the understanding of humanity, responsible care of the environment and earth's resources, endangered species, and the welfare of all creatures;
- (h) To provide relief to victims of natural and manmade disasters and to assist in rebuilding lives, livelihoods and community infrastructure affected by such disasters.

Provided that the Foundation shall not engage in primary and secondary education for children.
